

6 May 2020

Dear Year 10 pupils applying to RSFC,

Message from the Principal

I want to reassure you that in this uncertain time we are working closely with schools across the borough to smooth the transition between school and college so that you are ready to start your course in September.

Please keep an eye on your emails, as we will be regularly contacting you about your application and next steps. For example, you'll be given login details for our online portal, where you can check we have your correct details, upload a photo and communicate with the college via a direct messaging service. We will also be sending details of how to access preparation work for each of the subjects you will be studying with us.

Like your school, the Rochdale Sixth Form College building will be closed until further notice, however staff are working and will be available to respond to any queries you may have. These can be sent via email in the first instance to studentadmin@rochdalesfc.ac.uk.

With very best wishes, and great pride,

Richard Ronksley

Principal/CEO
